*Honors are offered in Math 6 and Language Arts 6. Students interested in honors placement will need their parent to complete the online Honors Request google form (<https://goo.gl/forms/C0kTY0oE90GZNnQH2>) during the registration period in January/February. The number of class sections will be scheduled by March 1. Students requesting honors after that time may be placed on a waiting list for space available. Students are most successful in honors classes when they have higher prerequisite skills. Please see the registration website for the data points used for honors placement.

◆=Audition required for placement into these classes.

★ = Pre-requisite required before taking this class, see course description sheet online

Step 3: Please review your schedule. You will be required to keep the classes that you select. Make sure that you have not signed up for a class that you have taken before.

STEP 4: Please review the following statement and sign below: "I have reviewed my class selections and understand that I am expected to stay in the classes for the duration of the classes." (Please sign using PEN).

Parents wanting to individualize your students schedule, please see your counselor.

Math Lab: The goal of this class is to assist students in bridging the knowledge gap that may exist in their mathematical understanding. If you would like to be considered for Math Lab, please check the box. This would replace 1 of your elective.
