

CTE Portfolio Viking Scholar

Requirements for the CTE portfolio:

Check Which CTE area you are focusing on:

- o FACS

- o TECHNOLOGY/MANUFACTURING

Requirements for FACS focus:

-Writing: Complete a 5 paragraph essay on the following topic, “How has your FACS class(es) prepared you for life?”

-Project: Present a personal project in the FACS area. This project must first be discussed with the FACS department before beginning.

Complete a personal sewing project, full course menu and meal preparation, or child care kit.

Requirements for Tech/Manufacturing focus:

-Writing: Complete a 1 page essay on how Technology affects our lives on a daily basis and the pros and cons to using technology to solve problems.

-Project: Build a writing desk or solve a real world problem with Lego robotics.

-Or another project similar in nature and pre-approved through the CTE Technology teacher.

Portfolios are due to the Student Center by 3:00PM on February 28, 2018.

Interviews will be scheduled for March 30, 2018, before school.
