★ = Pre-requisite required before taking this class, see course description sheet online

**BOLD** = CCA is the state required course in this category. Parents may substitute any other class in Category 2 for CCA.

**Step 3:** Please review your choices. You will be required to keep the classes that you select.

**STEP 4:** Please read the following statement and sign below: "I have reviewed my class selections and understand that I am expected to stay in the classes for the duration of the classes." (Please sign using PEN).

Parents wanting to individualize your student's schedule, please see your counselor.

**Math Lab:** The goal of this class is to assist students in bridging the knowledge gap that may exist in their mathematical understanding. If you would like to be considered for Math Lab, please check the box. This would replace 1 of your elective.
