

DRAPER PARK MIDDLE SCHOOL  
**Requesting your name be placed on the ballot for School Community Council**

The Draper Park Middle School Community Council consists of nine parent members voted in for a two-year term. The purpose behind the community council is to build consistent and effective communication, to allow parents an opportunity to be actively involved in their children's education, and to enhance academic excellence at the school.

The council meets the third Thursday of each month with the exception of December, June, July, and August and meetings will begin at 3 pm.

For the 2017-2018 school year, six members will be returning for their second term, which leaves three openings for this school year.
