

DRAPER PARK MIDDLE SCHOOL
Voting Ballot for School Community Group

The Draper Park Middle School Community Council consists of nine parent members voted in for a two-year term. The purpose behind the community council is to build consistent and effective communication, to allow parents an opportunity to be actively involved in their children's education, and to enhance academic excellence at the school.

For the 2017-2018 school year, six members will be returning for their second term, which leaves three openings for this school year. The following parents have requested to have their name on the ballot for your consideration. Please vote for ONE TO THREE individuals you believe would be a positive addition to our council. Voting will take place from August 3rd – 21st. The ballot box to collect the votes will be placed in the main office at Draper Park Middle. School staff will highlight the name of each parent voting then parents will drop their ballot in the ballot box. Ballots must be returned to the ballot box no later than 8 pm on August 21st, the evening of *Back To School Night*. Ballots cannot be mailed/mailed in.
