

School Community Council

January 19, 2017

Update on Schedule for 2017-18 School Year

- CSD school board decision
- school board meeting
- Review questions/concerns from parent meeting and from SCC correspondences

Responsibilities and Role of SCC

- Primary responsibility is to improve student academic performance.
- Develop School Improvement and LAND Trust Plans
- Determine how to spend School LAND Trust funds on the greatest academic needs.

The authority of the school community council does not supersede the authority of the principal, the Superintendent, or the Board of Education.

Source: CSD Policy KCE, R-1

The school community council is an advisory, not a policy-making, body.

Source: CSD Policy KCE, R-2, 2.2

“The Council has statutory responsibilities to develop the School Improvement and LAND Trust plans which are focused on increasing student achievement in our school and may include provisions for professional development. Throughout the school year, the SCC reviews school data, identifies academic needs, sets measurable goals, establishes action steps to reach those goals, and evaluates success of the plans.”
