Parent Request to Substitute a Course Requirement

Dear Principal/Counselor:

As a parent I am requesting substitution of a course requirement with a course, extracurricular activity, or experience that is similar to the course requirement or consistent with the student's plan for college and career readiness.

The required course I would like to substitute is:

- Health Education
- College and Career Awareness
- Digital Literacy
- Art
- Physical Education
- Other: _____

The request to replace the above course will be with:

- another course similar to the course requirement
- extracurricular activity or experience
- to take another class which is consistent with my student's plan for college and career readiness.
