TEAM FREYR SUPPLY LISTS

Team Supplies	-According to our school's plan, each student will be issued a Chromebook, Chromebook charger, water bottle, and student planner. -We suggest that each student has a pair of personal headphones/earbuds to use as needed. We do have classroom headphones that can be disinfected, but a personal pair may be more sanitary. -We suggest that each student has a case for his/her issued Chromebook. This will help the Chromebook to not be misplaced or damaged. ==**-For every class, every day, students should come prepared with pencils/pens, charged Chromebook, water bottle, student planner, and face covering. Please note that at this time students will not be issued a locker. This means that students need to have a backpack or bag to carry their personal items.**==
English Language Arts Supplies	-1 inch binder, preferably with clear-view pocket covers -5 dividers -1 package of highlighters (at least 2 colors) -1 package of dry erase markers
Mathematics Supplies	-Folder for Math only -Ruler -Protractor -Highlighter -Tracing Paper -Calculator - *Recommendation: Texas Instruments Scientific/Fraction 30X IIS, 36X II, 34 Multi-view or 34 II Explorer Plus*
