

DPMS Locker Contract

1. Lockers are school property. Students are responsible for keeping lockers clean both inside and out. Any damage such as writing, scratches, dents, or stickers may result in loss of locker privileges and students will be required to pay a fine for repairs.
2. School officials reserve the right to search any or all school lockers at any time.
3. Illegal items found in lockers will be confiscated and students to whom the lockers are assigned will be prosecuted.
4. Pictures displayed in lockers must conform to the standards of Canyons School District.
5. **Locker combinations should not be shared.** Combinations cannot be changed during the school year.
6. Changing from a top locker to a bottom and vice versa will be handled on an individual basis as needed. The Hall Monitor will make this change through email or in person.
