<https://draperpark.canyonsdistrict.org/>

(801) 826-6900

Welcome to Draper Park Middle School! For those of you who are returning, we look forward to seeing you again. For new students, we are excited to meet you! The middle school years are an exciting and fun time, and we know that the changes that come with the transition from elementary to middle school can be a little stressful, too. To answer questions and help you know a little bit about what to expect, we have created this school-wide disclosure. It contains a lot of information about how things work at Draper Park and what student expectations are. We want your middle school experience to be a smooth transition between elementary school and high school. We know that if students, teachers, parents, and staff are all on the same page, teaching and learning at DPMS will be more organized and successful. The following school-wide policies help us focus on learning. Please read and become familiar with them to help you have a great middle-school experience.

Courage Code: Success in middle school takes courage. You might need courage to make new friends, try new things, or even say something if you see something that shouldn't be happening. At DPMS, we follow the Courage Code. It's just a set of guidelines that will help us all be more successful while we're here. You'll learn more about it (or have a chance to review it) when school starts, but for now here's an outline:

- C - Concept Mastery:** Learn and master the academic concepts and skills you'll need for success now and in your future.
- O - Outstanding Work Ethic:** Invest the time and effort it takes to do your best, even when it's difficult.
- U - Understanding and Empathy:** Put yourself in someone else's shoes and understand that we are all growing. Everyone deserves a safe place to learn.
- R - Respect and Responsibility:** It's important to take care of ourselves, each other, and our school. We all have a part to play in making DPMS the best it can be.
- A - Accountable for Time and Place:** Be present and on time. Make sure you are where you should be when you should be there.
- G - Give Back:** We've all had a lot of help throughout our lives. Look for opportunities to pay that forward and help others.
- E - Engage:** There are a lot of new opportunities in middle school. Get involved! Participate in class and during extra-curricular activities.

Students are expected to follow the Courage Code in all areas of Canyons School District, including the gym, classrooms, cafeteria, hallways, auditorium, library, restrooms, computer labs, and buses. Consequences for positive and negative behaviors include, but are not limited to, the following:

Rewards

- Verbal praise
- Courage cards
- Class and school-wide incentives
- Positive communication home to parents
- Safe learning environment
- Assemblies and special activities

Consequences

- Visual or verbal correction/warning
- Removal from situation
- Think time
- Courage violation

OPEN FOOD AND DRINKS IN HALLS/CLASSROOMS

At lunchtime, all food and drinks should remain in the cafeteria. Students should eat lunch inside and throw away any trash they have before going out into the courtyard. Students are allowed to carry a water bottle with them throughout the day. Water bottle filling stations have been installed on most of our drinking fountains. We encourage students to use them. Please refer to specific teacher disclosures for specific information on snacks, etc. in the classroom. We ask that students do not eat or drink in the hallways. Exceptions for medical purposes are allowed. Please notify the counseling center of any specific needs.

PUBLIC DISPLAY OF AFFECTION

Public display of affection is unacceptable behavior in middle school. Students who engage in it will be warned. If the behavior occurs repeatedly, parents will be notified and further disciplinary measures will take place.

HALL PASSES

Students should remain in class during all class periods unless they are accompanied by a teacher or have a hall pass from an authorized staff member.

BACKPACKS

Backpacks are allowed in classrooms and in the cafeteria.

CHROMEBOOKS

Each student at DPMS will be issued a Chromebook and a charging cord. These Chromebooks will be used in a variety of ways throughout the day, and should be your go-to device in the event technology is needed during a class. Phones and other personal devices should be silenced and put away during the school day. Students should be mindful that student Chromebook internet activity is monitored. Students are responsible for any loss or damage to the Chromebook and/or charging cord. Fees for loss damage include \$30 for a lost cord, \$50 for a broken screen, and \$225 for a lost/broken Chromebook. Please be careful with your school-issued Chromebook. All of the content students use for school is web-based (Canvas, Google Docs, etc.) If you need to complete work at home you can easily do that on any computer that has internet access, but you should use the school-issued Chromebook to access and complete assignments at school. If you need a device at home please take your Chromebook with you and use it!

PERSONAL TECHNOLOGY

When at school, DPMS students should keep personal electronic devices (Cell phones, smart watches, earbuds, etc.) silenced and put away from the warning bell at 7:45 AM to the last bell at 2:40 PM.

Students' personal electronic devices should remain stored, out of sight, and silenced during class time. As a one-on-one technology school, teachers will provide access to school devices when technology is required for instruction.

Students' personal electronic devices and school-issued technology should remain stored, out of sight, and silenced during passing periods and lunchtime. If students would like to work on homework on their Chromebook during lunch, you are invited to obtain a Media Center pass and visit the Media Center during their lunch period.

Students should avoid taking pictures of others without their permission. Using the camera feature in a restroom or locker room is prohibited and can be illegal. Students have a reasonable expectation of privacy at school, most particularly in locker rooms and bathrooms. Violations of this privacy may result in severe consequences.

Telephones for student use are available in the main office at all times. Phones in the cafeteria are also available before and after school. Students who require a greater degree of privacy for personal conversations should speak to a teacher or assistant principal about possible alternatives.

ATTENDANCE

Attendance and punctuality are **critical** for academic success. Frequent absence or tardiness disrupt your educational opportunities and reduce your chances for interaction with teachers and peers, classroom participation, learning experiences, and other valuable opportunities. Once lost, these benefits are difficult to regain. Please refer to the Canyons District website regarding Canyons School District attendance and truancy guidelines.

TARDINESS

If you arrive during the first 10 minutes of your first period class, you should go directly to your first period class. If you arrive more than 10 minutes late, please report to the attendance office to check in. (The attendance office is located inside the main office). You will be given a check in slip and should give the slip to your teacher when you get to class. Just a reminder, In order to make the most of one's educational opportunity, a student must have consistent, punctual, daily attendance in order to be College and Career Ready.

If you give your combination to someone else, you do not have control over what that person chooses to do with it. Students are responsible for keeping their lockers neat and clean both inside and out. You should not write on, scratch, carve, dent or in any way damage their lockers or anyone else's locker. Students who violate these regulations will lose locker privileges and will be required to make payment sufficient to cover damages. School officials reserve the right to search any or all lockers. GUIDELINES FOR MEDICINE AT SCHOOL

Students may bring up to a 12-hour dosage of their own prescription medication or over-the-counter medicine to school. Any student in possession of medicine exceeding a 12-hour dosage (e.g. bringing the whole bottle) is considered to be in violation of the district's illegal substance violation policy. You may be wondering if medication can be administered by school personnel during the day. Medication may only be administered to a student by school personnel if:

1. The student's parent or legal guardian has provided a current written and signed request that medication be administered to the student during regular school hours.

2. The student's physician, dentist, nurse practitioner, or physician assistant has provided a signed statement describing the method, amount, and time schedule for administration, and a statement that administration of medication by school employees during periods when the student is under the control of the school is medically necessary.

The request for medication forms will be available in the main office. Please direct questions regarding medication at school to the main office at (801) 826-6900.

VISITORS/CLOSED CAMPUS

All visitors to Draper Park Middle School must pick up a visitor's pass in the main office when they first arrive. Parents who want to meet with teachers before or after school should check in at the main office first. If possible, please schedule an appointment in advance to ensure teachers are available. Student visitors are not allowed at the middle school unless the school has invited other students into their building as part of the regular instructional process. The administration will follow State and District guidelines in this regard.

DELIVERIES

Parents and family members are welcome to drop student items off for delivery in the office. Those items will be delivered to classrooms, by student aides, or given to students during passing periods. DPMS is not able to accept deliveries from Doordash, Uber Eats, or other food delivery services.

SKYWARD FAMILY ACCESS

Skyward Family Access provides current grade, assignment, and attendance information for students and parents. We encourage parents to monitor student's grades through Skyward regularly. You may access and log on to Skyward at: <http://skyward.canyonsdistrict.org> If you have lost your login or password, please contact the main office in person as we cannot give passwords over the telephone. Please remember that Skyward is the platform teachers will use to record final grades, not Canvas.

GRADING/CLASS WORK

At Draper Park Middle School, your grade should reflect how well you have mastered concepts. Classwork/homework should help you learn and practice the concepts being taught. That work also helps you, your teachers, and your parents/guardians assess your progress in mastering skills and concepts. Classwork, practice, homework, and other formative assessments will add up to 20% of your final grade. Please follow your teacher's instructions for how to collect and complete late work, retakes, and absent work. Teachers will advertise "done dates" before the end of a unit or quarter, when assignments must be turned in to receive credit.

Summative assessments (such as end-of-unit tests or final projects) on concepts will be used to determine your final level of mastery of standards. These assessments will equal 80% of your final grade. Pay attention to "done dates" before the end of the quarter so you know the deadlines for taking summative tests.

Your citizenship grade will reflect your mastery of skills in non-academic areas like punctuality, work ethic, and attitude. (See the citizenship rubric included in this document for more details.)

Please check Skyward regularly for updates to your grade and address any concerns as soon as possible. Your teachers are here to answer questions and help you progress! Concerns about your grades should be resolved *before* the end of the quarter, when they are finalized.

Letter grades will be assigned based on the following percentages:

| | | | | | |
|----|--------|----|-------|----|-------|
| A | 100-93 | B- | 82-80 | D+ | 69-67 |
| A- | 92-90 | C+ | 79-77 | D | 66-63 |
| B+ | 89-87 | C | 76-73 | D- | 62-60 |
| B | 86-83 | C- | 72-70 | F | 59-0 |

In rare circumstances, such as classes where students serve as a teacher aide or office aide, grades will be assigned pass/fail.

CHEATING/PLAGIARISM

Draper Park does not condone cheating/plagiarism and wants to help students make better choices. This means if a student cheats or plagiarizes, they will have an opportunity to redo assignments/assessments in a more structured setting, under the supervision of a staff member, and/or with an additional practice assignment to support their learning.

CITIZENSHIP

While your academic grade should reflect your mastery of the content, your citizenship grade should reflect the level of competency shows your behavior shows. These abilities include obeying school rules, showing respect, arriving to class on time, and completing work in a timely manner. Citizenship grades will be based on the following rubric:
