

Hello DPMS parents/guardians,

At the end of May, students will be handing in their Chromebooks and chargers during one of their core classes. All students are responsible for returning these borrowed items to the library before summer break.

Schedule for returning Chromebooks/chargers:

Tuesday, May 21<sup>st</sup> — 6<sup>th</sup> grade (students returning items in SCIENCE class)

Wednesday, May 22<sup>nd</sup> — 8<sup>th</sup> grade (students returning items in HISTORY class)

Thursday, May 23<sup>rd</sup> — 7<sup>th</sup> grade (students returning items in SCIENCE class)

Turn-in opens @ **7:50am**

Turn-in closes @ **3:00pm**

Remember that damaged items or items that have not been returned will be added to Skyward as a fine.

If your student is absent on their grade's turn-in day, please have them return items to the library on another grade's turn-in day.

Personal stickers that were applied to the Chromebooks/chargers must be removed *before* items are turned in at school. Only stickers that the school applied should remain. (Green or blue barcode stickers and any white barcode stickers that say 'Canyons School District' must remain on the device.) Sticker residue must be wiped off.

Students who are taking summer math may visit the DPMS library to pick up information about their summer Chromebook.

Thank you!
